WHAT PARENTS LIKED ABOUT SCHOOL;

- I am very pleased with the school and the progress of my children
- I have always found that my daughters have been taught well, and have had little trouble in school. We have found Beech Grove to be a well-managed school.
- School does very well
- This school is a fantastic school. My kids have been to other schools and this is the only one they have settled in and have really liked. Thank you.

WHAT PARENTS WOULD LIKE TO CHANGE;

- I think the new play equipment is a disaster waiting to happen
- I don't agree with kids all having the same book bags as that's how things go missing
- There is not enough homework. Maybe we could have a hand-out about homework so we can help
- I think the children who are better behaved all the time should be rewarded and recognised more
- School should have more outside activities
