BEECH GROVE PRIMARY SCHOOL

PRIMARY PE AND SPORT PREMIUM

Allocation for 2016 – 2017	**£8054 paid in two equal amounts**
Priorities for Funding	• To provide high quality physical activity for all children across the range of ages and abilities • To provide children with access to additional sport-related after school activities • Through the use of a qualified coach, provide CPD for teachers on planning and delivery of effective PE sessions • To increase the school's participation in inter-school competition
Summary of spending for 2016 - 2017	• We provide one session of PE per week for each class led by a qualified coach. He has introduced PE assessment across school. • After school sports clubs were tailored to link into to MSTA tournament timetable, so providing a greater variety of sporting opportunities and stimulating children's interest in sport outside school • We have continued to provide free transport to and from inter-school sporting events. • Teachers have observed the sessions led by the PE coach and have been given detailed planning to follow for a second PE session. • Two Holiday Clubs have been provided free of charge to our children
Impact of PE and Sport Premium Funding	• Because of the support and CPD delivered by the PE coach, teachers are now delivering the follow-up PE session themselves with more confidence and a higher skill level. • Initial assessment evidences indicates that better quality PE teaching has improved children's basic skill level. In 2015, Inspectors made very positive comments about the impact of improved PE teaching: *'pupil's standards in a range of sports has improved, as have their levels of fitness'* • Parents continue to comment favourably about their children's enjoyment in PE, and this is reflected in pupil voice interviews where several children said PE was their favourite lesson. • School's participation in inter school games has increased significantly with teams from across KS2 competing successfully in a range of sports. • **Of the 2016-17 Y6 cohort, 83% left school having attained at least a 25m swimming certificate** • **Of the 2017-18 Y5 cohort, 61.5% attained a 25m swimming certificate and 1 pupil achieved confidently swimming using different strokes.** • **Only children in Y5 currently attend swimming.**

Allocation for 2017 – 2018	£16,000 paid in two equal amounts
Priorities for spending 2017 – 2018	• Continue to provide the high quality PE teaching we have established with coach and teachers working together • Increase participation and improve performance in inter-school sporting activities in order to foster the Fundamental British Values of fair play and healthy competition • Audit and supplement resources to increase the range of sporting activities on offer in school • Provide extension for talented children by building links with local sports clubs • Continue CPD for nursery staff ensuring that children have the best possible start to physical education • Continue to refine and tighten PE assessment procedures
