

# Beech Grove Primary School Safeguarding Policy

## Purpose and Aim

Beech Grove Primary School's whole-school Child Protection Policy aims to provide clear direction to staff and others about expected codes of behaviour in dealing with child welfare concerns. The policy also aims to make explicit the school's commitment to the development of good practice and sound procedures to keep children safe in our school.

This policy recognises that abuse can occur in all communities and contexts and that all staff have a responsibility and the opportunity to support children in sharing concerns and worries in school in order to feel safe. The whole school culture of vigilance in Beech Grove creates a safe place where children are supported, listened to and valued in what they choose to share and that ALL staff act immediately with the necessary level of intervention to create the most effective outcome for every individual child.

The purpose of the policy is, therefore, to ensure that our children's welfare is of paramount importance, early and additional help is offered to prevent escalation and where child protection concerns are identified referrals are handled sensitively, professionally and in ways that support the needs of the child's well-being.

Governors and staff are committed within Beech Grove Primary School to keeping children safe by promoting the welfare of children in our care through all our policies, procedures and practices. We expect all our pupils' parents and visitors to share this commitment and understanding.

### Introduction

Beech Grove Primary School fully recognises the contribution it can make to keeping children safe and supporting the pupils in its care. There are four main elements to Beech Grove Primary School's Child Protection Policy:

1. **Prevention** (positive school atmosphere, careful and vigilant teaching, pastoral care, support to pupils, providing good adult role models and the identification of early and additional support/services to children and families and recognising and reducing risks to children including harassment, bullying, victimisation, sexual violence and sexual harassment, exploitation, radicalisation and issues such as Honour Based Violence Female Genital Mutilation and Forced Marriage.)
2. **Protection** (following agreed procedures, ensuring all staff respond appropriately and sensitively to child protection concerns and that every member of staff has regular training and updates at least annually and are supported to refer their concerns to the Designated Safeguarding Lead Helen Pearson or Deputy Designated Safeguarding Lead John Dixon or The First Contact Team (01642 726004) directly IF NECESSARY. In certain specific cases such as Female Genital Mutilation (Mandatory reporting of FGM from October 2015), Radicalisation or Forced Marriage there are named teams and individuals within the police who can be contacted.

3. **Reconsideration** (following and challenging the progress of new referrals and existing cases to ensure that individual cases are reconsidered if there remains no improvement to a child's circumstances).
4. **Support** (to pupils and school staff and to children who may be vulnerable due to their individual circumstances).

All staff have the added responsibility of recognising that there may be children with additional vulnerability who remain at higher risk of harm or abuse because of their existing vulnerability. All school staff should be particularly alert to the potential need for early help for a child who:

- is disabled and has specific additional needs
- has special educational needs (whether or not they have a statutory Education, Health Care Plan)
- is a young carer
- is showing signs of being drawn into anti-social or criminal behaviour, including gang involvement and association with organised crime groups
- or frequently missing/goes missing from home/care
- is at risk of modern slavery, trafficking or exploitation
- is at risk of being radicalised or exploited
- is in a family circumstance presenting challenges for the child, such as drug and alcohol abuse, adult mental health issues and domestic abuse
- is misusing drugs or alcohol themselves
- has returned home to their family from care
- is a privately foster child

(KCSIE 2018)

All Staff have a responsibility to recognise child abuse, neglect and peer on peer abuse in its many forms. Additional guidance on how our school supports the following areas of additional need or harm are provided in the hyperlinked documents in Appendix 1 of this Child Protection Policy and includes the full list taken from Keeping Children Safe in Education 2018 pages 87 and 88. Broadly, the areas taken from KCSIE 2018, Annex A, include

- Children in the court system
- Children missing from education
- Children with family members in prison
- Child Sexual Exploitation
- Child Criminal Exploitation – County Lines
- Domestic Abuse
- Homelessness
- So called 'Honour Based Violence' inclusive of Female Genital Mutilation, Forced Marriage and practices such as Breast Ironing
- Preventing Radicalisation

- Peer on Peer Abuse
- Sexual Violence and Sexual Harassment
- additional advice and support

In the event of any of the above issues being recognised, information should be shared directly with the Designated Safeguarding Leads which will result in the situation being recorded, evaluated and support offered in school or the pupil/s being referred to specific services.

**This policy applies to Beech Grove Primary School's whole workforce.**

### **Framework and Legislation**

No school operates in isolation. Keeping children safe from significant harm is the responsibility of all adults especially those working with children. The development of appropriate procedures and the monitoring of good practice are the responsibilities of Middlesbrough Local Safeguarding Children Board (to be replaced by the Safeguarding Partner arrangements), which includes the partnership of several agencies who work with children and families across the Borough.

Beech Grove Primary School is committed to keeping children safe and safeguarding all children in accordance with Middlesbrough Safeguarding Children Board procedures <http://www.teescpp.org.uk> (to be replaced by the Safeguarding Partner arrangements) and partner agencies in all cases where there is a concern about significant harm.

Significant Harm is defined in The Children's Act 1989 as the ill-treatment (including sexual abuse and physical abuse) or the impairment of health (physical or mental) or development (physical, intellectual, emotional, social or behavioural) as compared to a similar child.

**Note:** harm now includes the impairment of a child's health or development as a result of witnessing the ill treatment of another person.  
(*Adoption and Children Act 2002*)

Local Authorities have a duty to investigate (under S47 of the Children Act 1989). Where a Local Authority is informed that there is a child who is living, or is found, in their area and they have reasonable cause to suspect that child is suffering or is likely to suffer significant harm they must make such enquiries as necessary to promote or safeguard the child's welfare. The First Contact Team undertakes this responsibility on behalf of the Local Authority once a referral has been made.

Keeping Children Safe in Education September 2018 contains information on what schools and colleges **should** do and sets out the legal duties with which schools and colleges **must** comply. It should be read alongside Working Together to Safeguard Children 2018 which applies to all schools, including maintained nursery schools. The Children Act 1989 sets out the Legal Framework.

## Roles and Responsibilities For All Staff

Safeguarding and promoting the welfare of children is defined for the purposes of this policy as: protecting ALL children from maltreatment and abuse; (including in addition to the four categories of harm, issues such as sexual violence and sexual harassment, child criminal exploitation child sexual exploitation (CSE), Honour based violence (HBV) inclusive of Female Genital Mutilation (FGM) and Forced Marriage, preventing radicalisation and extremism, harassment, bullying and victimisation) preventing impairment of children's health or development; ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and taking action to enable all children to have the best outcomes. This includes everyone under the age of 18.

Everyone who comes into contact with children and their families has a role to play in safeguarding children. Due to the regular contact with children all staff at Beech Grove Primary School we hold a particularly important role in safeguarding as we are in a position to identify concerns early, provide help for children and to prevent concerns from escalating. Children can make disclosures or show signs of abuse at any time and to any individual and safeguarding incidents can occur within schools. Therefore, through a thorough induction process and the sharing of this policy to all staff, students and volunteers, it is important that ALL staff:

- Ensure that they listen to and reflect on the voice of the child at ALL times and take seriously any concerns raised to them by a child.
- Ensure that they report ANY concerns of harm to any child to the Designated Safeguarding Lead immediately. (However, ALL staff can refer their concerns directly to The First Contact Team if necessary and the police in the stated incidents above. They should inform the Designated Safeguarding Lead as soon as possible if they have reported concerns directly).
- Ensure that they immediately share with the Designated Safeguarding Lead information shared with them by a child or directly observed/witnessed and record it. This could include sharing information on behalf of the Designated Safeguarding Lead with other agencies. All discussions, decisions and reasons for them should be recorded in writing adhering to Beech Grove Primary school's Recording and Information Sharing Procedure.
- Ensure that they maintain an attitude of '**it could happen here**' and report any concerns regarding the behaviour of a child /an adult/staff member in school directly to the Designated Safeguarding Lead/Head teacher.
- Ensure that they feel able to raise concerns about poor or unsafe practices of staff and potential failures in the school's safeguarding regime through whistleblowing procedures and the staff behaviour/code of conduct policy.

- Ensure that they attend regular formal training/updates at least annually to support them in recognising the signs and symptoms of abuse, particularly in support of early identification of needs of children to prevent an escalation of need or risk to the child.
- Ensure from the 1<sup>st</sup> July 2015 for schools, that under the Counter Terrorism and Security Act, April 2015 that the school has 'due regard to Prevent' and to assess risk of children and young people being radicalised drawn into extremism (based upon potential risks in local area and that clear protocols are in place for all visitors so that their views are appropriate and not an opportunity to influence others).
- Ensure from October 2015 that there is mandatory reporting to the police in all cases where teachers discover that an act of FGM appears to have been carried out.
- Ensure that staff understand through online safety training the additional risks for pupils online and continue to promote the School's Online Safety Policy in the protection of all pupils. This includes the management of 3G and 4G internet access via children's own mobile phones or electronic devices which can allow them unlimited access to the internet without any restrictions using their own data allowance. It is made clear in the school's online safety policy that pupils may not bring their own devices onto school site other than in exceptional circumstances approved by the Head teacher.
- Ensure that they remain vigilant whilst visitors are on site and continue to promote the school's commitment to keeping children safe through reminding visitors and parents of the school's appropriate use of personal mobile phones/devices whilst they are on school premises. This includes staff understanding and adhering to the Staff Behaviour Policy inclusive of the use of mobile phones and electronic devices.

Beech Grove Primary School will work with social care, the police, health services and other services to promote the welfare of children and protect them from harm.

## **The Designated Safeguarding Lead**

Beech Grove Primary School has appointed our Assistant Head teacher, Helen Pearson to be our Designated Safeguarding Lead. This person has the overall responsibility for safeguarding and child protection and has the appropriate authority and training to undertake such a role and is able to provide advice and support to other staff on child welfare and child protection matters. This person is able to take part in strategy discussions and inter agency meetings and to support other trained staff to do so as well as contribute to the assessment of children.

The Designated Safeguarding Lead, and any deputies, are most likely to have a complete safeguarding picture and be the most appropriate person to advise on the response to safeguarding concerns (KCSIE 2018).

At Beech Grove Primary School we have appointed the following Deputy Designated Lead, John Dixon who is part of the safeguarding team. He is trained to the same standard as the Designated Safeguarding Lead. The activities of the Designated Safeguarding Lead can be

delegated to appropriately trained deputies but the ultimate lead responsibility for child protection will not be delegated and remains with the Head teacher and Designated Safeguarding Lead.

Any deputies should be trained to the same standard as the Designated Safeguarding Lead and the role should be explicit in their job description.

The Designated Safeguarding Lead has a very detailed role, (see below)

However, if there is an IMMEDIATE safeguarding concern and the Designated Safeguarding Leads are unavailable please seek immediate support via The First Contact Team (01642 726004).

The broad areas of responsibility for the Designated Safeguarding Leads are identified here:

### **Undertake Training**

The Designated Safeguarding Lead and any deputies receive appropriate training updated every two years as well as termly updates. They undertake Prevent awareness raising and in addition to the formal training their knowledge and skills should be refreshed at regular intervals, but at least annually, so they:

- Understand and keep up with any developments to their role
- Understand the assessment process for providing early help and intervention, for example through locally agreed common and shared assessment processes such as early help assessments.
- Have a working knowledge of how local authorities conduct a child protection case conference and a child protection review conference and be able to attend and contribute to these effectively when required to do so.
- Ensure each member of staff has access to, and understands, the school's Child Protection Policy and procedures, especially new and part time staff.

- Can recognise the additional risks that children with SEND face online, for example, from online bullying, grooming and radicalization and are confident they have the capability to support SEND children to stay safe online
- Obtain access to resources and attend any relevant or refresher training courses.
- Encourage a culture of listening to children and taking account of their wishes and feelings, among all staff, in any measures the school or college may put in place to protect them.

### **Raise Awareness**

The Designated Safeguarding Lead should ensure the school's policies are known understood and used appropriately:

- Ensure the school's Child Protection Policy is reviewed annually (as a minimum) and the procedures and implementation are updated and reviewed regularly, and work with governing bodies or proprietors and the workforce in this regard to ensure its effectiveness. This includes ensuring that all staff receive the policy on their induction.
- Ensure the Child Protection Policy is available publicly and parents are aware of the fact that referrals about suspected abuse or neglect may be made and the role of the school in this.
- Link with the Middlesbrough Safeguarding Children Board (to be replaced with Safeguarding Partner arrangements) to make sure staff are aware of training opportunities and the latest local policies on safeguarding.

### **Child Protection File**

- Where children leave the school ensure their child protection file is transferred appropriately for any new school or college as soon as possible but transferred separately from the main pupil file. Ensuring secure transit and confirmation of receipt. This may be through an electronic system.
- Receiving schools should ensure key staff are aware as required.
- In addition to the Child Protection file the Designated Safeguarding Lead should also consider if it would be appropriate to share any information with the new school in advance of a child leaving, for example information that would allow the new school

to continue to supporting victims of abuse that have that support in place for when the child arrives.

### **Availability**

- During term time the Designated Safeguarding Lead, or Deputy, should always be available during school hours for staff to discuss any safeguarding concerns.
- Whilst generally speaking the Designated Safeguarding Lead, or Deputy, would be expected to be available in person, it is a matter for individual schools and colleges, working with the Designated Safeguarding Lead, to consider whether in exceptional circumstances availability via phone and or Skype or other such mediums is acceptable.
- The Designated Safeguarding Lead and the Deputy will arrange adequate and appropriate cover arrangements for any out of hours/out of term activities.

### **Taken from Keeping Children Safe in Education, 2018: Annex B**

#### **In addition, Safeguarding First (P.Gartland) recommend as best practice that the Designated Safeguarding Lead:**

- Ensures each member of staff has access to and understands the school's suite of safeguarding policies particularly the Child Protection Policy and the Staff Behaviour Policy, especially new or part-time staff who may work with different establishments.
- Be aware of all school excursions and residentials and clarify with educational visit co-ordinator/group leader(s) their role and responsibility in connection with safeguarding/child protection.
- Ensure a whole school policy about managing behaviour and discipline including the use of reasonable force, is in place. There are circumstances when it is appropriate for staff in schools to use reasonable force to safeguard children. The term 'reasonable force' covers the broad range of actions used by staff that involve a degree of physical contact to control or restrain. This can range from guiding a child to safety by the arm, to more extreme circumstances such as breaking up a fight or where a young person needs to be restrained to prevent violent injury. 'Reasonable' in these circumstances means 'using no more force than is needed'. The use of force may involve either passive physical contact, such as standing between pupils or blocking a pupil's path, or active physical contact such as leading a pupil by the arm out of the classroom. When using reasonable force in response to risks presented by incidents involving children with SEND or medical conditions, schools should in considering the risks carefully recognize the additional vulnerability of these groups. They should also consider their duties under the Equality Act 2010/36 in relation to making reasonable adjustments and their Public Sector Equality Duty.

- Ensure an effective whole school policy against bullying/cyber-bullying inclusive of measures to prevent all forms of bullying among pupils, is in place.
- Inform LA of any pupil to be deleted from school admission register and follow missing from education protocols
- Inform the LA of any pupil who fails to attend school regularly, or has been absent without schools permission for a continuous period of 10 days or more.

## **Responsibilities of Beech Grove Primary School's Governing Body**

Best practice would advise that a Safeguarding Governor at senior board level is appointed to support the Designated Safeguarding Lead in their role from the perspective of ensuring the allocation of funding and resource is sufficient to meet the current safeguarding and child protection activity, challenge the safeguarding activity and ensure both the self-assessment tool and the Designated Safeguarding Lead report demonstrates fully and accurately the safeguarding arrangements and any action to progress areas of weakness or development.

At Beech Grove Primary School the Governor member for safeguarding is Rev. Sue Richardson

### **The role of this individual is to:**

- Ensure that the allocation of funding and resource is sufficient to meet the current safeguarding and child protection activity and challenge the safeguarding activity.
- Ensure the self-assessment tool and Designated Safeguarding Lead Report demonstrates fully and accurately the safeguarding arrangements and any actions to progress areas of weakness or development.
- Ensure that the governing body receives training to clarify their statutory role in keeping children safe to support their quality assurance of those statutory arrangements.
- Ensure that the governing body is aware of the changes from Local Safeguarding Children Boards to Safeguarding Partner arrangements and the need for the school to understand their role in effective multi-agency working under new arrangements.

**The Safeguarding Governor is the Chair of Governors, their role is to:**

- Ensure that they liaise with the local authority and/or partner agencies on issues of child protection and in the event of allegations of abuse made against a Head teacher, or member of governing body.
- Ensure that in the event of allegations of abuse being made against a Head teacher, allegations should be reported directly to the Designated Officer (LADO). Therefore ensuring effective whistleblowing procedures are in place.
- Ensure that the appointed member of the Governing Body for Safeguarding holds the Head teachers to account on all matters involving safeguarding through an effective Child Protection Policy that is embedded and followed by the entire workforce in all of the above raised areas.
- Ensure that all staff undergo safeguarding training at induction and that they receive regular updates.
- Ensure that the school has appropriate filtering and monitoring systems in place for online content (inclusive of 3 and 4G).
- Ensure that children are taught about safeguarding through Personal, Social, Health and Economic Education (PSHE) and/or Sex and Relationships Education.
- Ensure that a designated teacher is appointed to promote the educational achievement of looked after children, including working with the Local Authority's virtual school Headteacher and discuss how pupil premium funding for looked after children will be used.

## **Information for Parents**

At Beech Grove Primary School, Governors and staff are committed to keeping our children safe and will take any reasonable action to safeguard and promote their welfare. In cases where the school has reason to be concerned that a child maybe suffering significant harm, ill treatment, neglect or other forms of harm, staff have no alternative but to follow Middlesbrough Safeguarding Children Board\* procedures and inform The First Contact Team or police of their concern. \*(to be replaced by Safeguarding Partner arrangements)

### **Procedures**

The Designated Safeguarding Lead (or deputy DSL) will be informed immediately by an employee of the school, pupil of the school, parent of the school or other persons, in the following circumstances:

- Suspicion that a child is being harmed
- There is evidence that a child is being harmed

The threshold of significant harm is defined in the Children Act 1989 Section 31 (9) as:

- Ill-treatment
- Impairment of health (as compared to a similar child)

*Note: harm now includes the impairment of a child's health or development as a result of witnessing the ill-treatment of another person (Adoption and Children Act 2002).*

Working together 2018 defines the categories of harm as:

### **Physical Abuse**

A form of abuse which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child.

Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately, induces illness in a child.

### **Neglect**

The persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development.

Neglect may occur during pregnancy as a result of maternal substance misuse. Once a child is born, neglect may involve a parent or carer failing to provide adequate food and clothing, shelter including exclusion from home or abandonment, failing to protect a child from physical and emotional harm or danger, failure to ensure adequate supervision including the use of inadequate care-takers, or the failure to ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

### **Sexual Abuse**

Involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet). Sexual abuse can take place online and technology can be used to facilitate offline abuse. Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.

## **Emotional Abuse**

The persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child though it may occur alone.

The Designated Safeguarding Lead will keep a full record of concerns raised and make referrals to the First Contact Team, if necessary. These records may be either handwritten or electronic but will be stored via a secure system. The Head teacher will be kept informed at all times.

## **Safe Schools/Safe Staff**

Governors have agreed and ratified the following policies, procedures, processes or systems which must be read and considered in conjunction with this policy:

### **Whistle Blowing**

Beech Grove Primary School's Whistle Blowing Policy provides guidance to staff and volunteers on how they can raise concerns and receive appropriate feedback on action taken, when staff have concerns about any adult's behaviour.

### **Complaints / Allegation Management Towards or with a Child or Adult**

A Safeguarding complaint involving a member of staff must be reported to the Head teacher immediately. Where there are concerns about the Head teacher, this should be referred to the Chair of Governors. Staff may consider discussing any concerns with the school's Designated Safeguarding Lead and make any referral via them.

Consultation without delay with the Designated Officer Lynn Dicken **Tel: 01642 201835/07976 152 661 – Mon, Tues and Wed** (or the Deputy DO via the RAD Unit 01642 354450) will determine what action follows. A multi-agency strategy meeting may be arranged to look at the complaint in its widest context, the Headteacher/senior member of school staff must attend this meeting, which will be arranged by the Designated Officer. All issues must be recorded on the allegation management form and the outcome reached must be noted to ensure closure.

<http://www.teescpp.org.uk/allegations-against-staff>

### **Training and Support**

All staff members are aware of the systems within the school which support safeguarding and these are explained to them as part of their induction into the school to ensure they can discharge their responsibilities effectively. This includes: The Child Protection Policy; Staff Behaviour Policy (sometimes called a code of conduct); Safer Working Practice Document and the Names of the Designated Safeguarding Lead and their Deputy.

All staff members should also receive appropriate safeguarding and child protection training which is regularly updated. The Governing Body will decide the frequency and content of this CPD. At Beech Grove Primary school our whole school training is held every three years. In addition, all staff members receive regular safeguarding and child protection updates via staff meetings as required, but at least annually, to provide them with relevant skills and knowledge to safeguard children effectively and allow them opportunities to contribute to reviewing and shaping the safeguarding arrangements in school inclusive of the Child Protection Policy.

## **Professional Confidentiality**

Confidentiality is an issue which needs to be understood by all those working with children, particularly in the context of safeguarding. Beech Grove Primary School recognises that the only purpose of confidentiality in this respect is to benefit the child. (Middlesbrough Safeguarding Board Procedures) (to be replaced by Safeguarding Partner arrangements) <http://www.teescpp.org.uk>

## **Record Keeping**

Well-kept records are essential to good safeguarding practice. Beech Grove Primary School is clear about the need to record any concerns, discussions held, decisions made and reasons for those decisions about a child or children within its care. All staff will follow the school's Information Sharing and Recording Procedure to ensure recording keeping is compliant and in line with the General Data Protection Regulations 2018 and data Protection Act 2018.

Safeguarding Recording within Beech Grove Primary school is held electronically through a secure management system of CPOMS and Inclusion Team staff have received training in the recording expectations and retention. Following a child leaving our school we follow the appropriate transfer procedures and retention guidelines. At Beech Grove Primary School we started electronic recording from September 2016. All recording prior to this is in paper format. Retention guidelines are followed accordingly.

## **Attendance at Safeguarding Conferences**

In the event of Beech Grove Primary School being invited to attend child protection conferences, the Designated Safeguarding Lead or PSAs, will represent the school and/or identify the most appropriate trained member of staff to provide information relevant to child protection conference (initial/review). In the event that those staff members cannot attend, the following trained members of staff may attend: Deputy Safeguarding Lead, John Dixon.

## **Supporting Children**

Beech Grove Primary School recognises that children who are abused or who witness violence may find it difficult to develop a sense of self-worth and to view the world in a positive way. We may be the only stable, secure and predictable element in the lives of some of the children in our care. The school, therefore, recognises that such children might exhibit challenging and defiant behaviour and will take careful note of the context of such behaviour.

As an Operation Encompass partner we work closely with the Operation Encompass Lead with regards to domestic violence incidents and offer wellbeing checks to our pupils if we are contacted following an incident which has occurred in one of our pupil's homes.

Beech Grove Primary School also recognises that children are capable of abusing their peers. Peer on Peer Abuse can take many forms and any concerns raised will be investigated and dealt with appropriately. No Peer on Peer Abuse should be tolerated or minimised as part of growing up and all those involved will be provided with an appropriate level of support. It is understood that those pupils who have experienced abuse in their own lives may in turn abuse others. This requires a considered and sensitive approach in order that the child can receive appropriate help and support. See Peer on Peer Abuse Policy for detailed information.

Therefore Beech Grove Primary School will endeavour to support all its pupils through:

- The curriculum to encourage self-esteem, self-motivation, self-protection.
- The school ethos, which promotes a positive, supportive and secure environment and which gives all pupils and adults a sense of being respected and valued.
- Approaches which allow children and young people to develop critical thinking, literacy skills and digital literacy skills.
- A curriculum which explores human rights, equality, democracy and tolerance and prepares children and young people fully for life in modern Britain.
- A curriculum where children develop personal resilience, understand and can take appropriate risks or have personal strategies/safety plans that allow them to manage their own safety. This can include topics covered as part of Relationships and Sex and Relationships Education as well as Fundamental British Values and SMSC Curriculum which cover harm, abuse, positive and healthy relationships and crime.
- A coherent management of Behaviour and Discipline Policy & Procedures inclusive of the Use of Reasonable Force.
- Liaison with other professionals and agencies who support children and parents.
- A commitment to develop productive, supportive relationships with parents whenever it is in the child's interest to do so.
- The development and support of a responsive and knowledgeable staff group whose role it is to respond appropriately in all safeguarding situations.

Beech Grove Primary School recognises that, statistically, children with behavioural difficulties and disabilities are the most vulnerable to abuse. School staff who work, in any capacity, with children with profound and multiple disabilities, sensory impairment and/or emotional and behavioural problems will need to be particularly sensitive to signs of abuse. School staff must give consideration to children who are subject to an Education Health and Care Plan or have a medical condition, as these can mask safeguarding issues and may often be attributed to the medical condition rather than that a child may be being harmed. Concerns such as changes in behaviour and presentation – both physical and emotional – must be considered for each individual child and their own circumstances and must not be dismissed. Children with SEND may often be more prone to peer group isolation than other children and there is a greater potential for children with SEND being disproportionately impacted by behaviours such as bullying, without showing any outward signs. Therefore, time will be taken to ensure that the full circumstances of any child, especially those who have additional needs and require support around language and communication, is always heard. To address these additional challenges, schools will consider extra pastoral support for any children, if needed.

At Beech Grove Primary School we also recognise that in a home environment where there is domestic violence, drug or alcohol misuse or mental health issues children may also be vulnerable and in need of support and protection.

This policy should be read in conjunction with other related policies and guidance in school.

These include:

- **A School Recruitment and Selection Policy** - inclusive of safer recruitment guidance and a **Single Central Record** which demonstrates the pre-employment vetting checks for all staff (e.g. identity, professional qualifications, right to work in the UK, further checks on people who have lived or worked outside the UK including recording checks for those EEA teacher sanctions and restrictions), for the workforce who are in regulatory activity (enhanced DBS, children's/adult barred list, prohibition from teaching check, section 128 check for management positions) and supervision of those who don't meet this requirement.
- Clear recruitment procedures which embed keeping children safe across every aspect from vacancy to conditional appointments, induction and an on-going culture of vigilance.
- Trained panel members who ensure that the policy works in practice in all recruitment and selection within the school.
- School Staffing (England) Regulations 2009, Regulation 9: require governing bodies of maintained schools to ensure at least one member of a recruitment panel must undertake safer recruitment training to satisfy all requirements in the statutory guidance Keeping Children Safe in Education 2018 and Working Together 2018. We share this commitment.
- Schools Human Resources policies and procedures.

- Staff Behaviour Policy (code of conduct) Safer Recruitment Consortium Guidance for Safer Working Practices for those working with Young People in education settings, October 2015. The school will ensure that all staff and volunteers are aware of the need for maintaining appropriate and professional boundaries in their relationships with young people and agree to work within all policies and procedures to safeguard both children and adults.
- The school will ensure that staff and volunteers are aware that sexual relationships with pupils aged under 18 are unlawful and could result in legal proceedings being taken against them under the Sexual Offences Act 2003 (Abuse of Position of Trust).
