Summary of EYPPG spending 2018/19

Objectives in spending PPG:

- To improve provision in EYFS by sourcing additional resources and experiences (indoor and outdoor learning) to link to topics and enrich the curriculum so more children can achieve the national expected standard (GLD)

Summary of spending and actions taken:

- Early Years Pupil Premium is awarded only in response to a parental claim. If parents do not complete the form for whatever reason, no additional funding is given to school on their child's behalf.
- Nursery staff handed forms to all parents as children started nursery, many of whom would attract the funding for their children. The Local Authority reported a better response from our school.
- A more formalised setting in specific set out areas of the EYFS classrooms continues to significantly improve GLD outcomes and Y1 readiness. As well as maintaining the improved outdoor area in EYFS to provide more opportunities for learning outdoors.

Outcomes to date:

- The continued provision for more directed/formalised learning opportunities in the classroom has undoubtedly contributed again to the healthy percentage increase of children achieving GLD at the end of reception.
- The continued delivery of the focused RWI programme to improve phonics skills development continues to significantly contribute to children achieving the Literacy strand of GLD.
- Nursery staff have spoken to the parents of this year's cohort directly about the application forms and asked them to complete them on site resulting in a much greater response.

Funding for 2019-20: No information from LA

2019-2020 Priorities for spending

- Improve GLD by continuing to provide more formalised teaching of the core subjects.
- Work collaboratively with EYFS Specialist (LLE) to improve outcomes, assessment and record keeping in the school Nursery setting.
- Continue to deliver Read Write Inc. to improve phonic skills development in EYFS Literacy.
- Upskill and provide CPD opportunities for staff to be trained in Numicon (maths) by working collaboratively with a local Numicon Advocate School (Acklam Whinn)
