1. Aims

The aims of relationships and sex education (RSE) at our school are to:

- › Provide a framework in which sensitive discussions can take place
- › Prepare pupils for puberty, and give them an understanding of the importance of health and hygiene
- › Help pupils develop feelings of self-respect, confidence and empathy
- › Create a positive culture around issues of sexuality and relationships
- › Teach pupils the correct vocabulary to describe themselves and their bodies

Beech Grove Primary is a community school. The Governors, Staff and Parents work together to provide a happy, caring environment where children are encouraged to be the best they can be in all areas of school life. We hold at the heart of our school the passion to develop emotional resilience and next-door neighbour qualities of respect, tolerance and kindness. We are committed to providing our children with opportunities to build aspirations and extend their horizons.

At Beech Grove Primary we recognize that today's children and young people are growing up in an increasingly complex world and living their lives seamlessly on and offline. This presents many positive and exciting opportunities, but also challenges and risks. In this environment, children need to know how to be safe and healthy, and how to manage their academic, personal and social lives in a positive way. Through Relationships Education (which is now compulsory in all primary schools in England), we want to put in place the key building blocks of healthy, respectful relationships, focusing on family and friendships, in all contexts, including online. This will sit alongside the essential understanding of how to be healthy. The knowledge and attributes gained will support their own, and others' wellbeing and attainment and help our children to become successful and happy adults who make a meaningful contribution to society.

2. Statutory requirements

As a maintained primary school we must provide relationships education to all pupils as per section 34 of the [Children and Social work act 2017](#).

However, we are not required to provide sex education but we do need to teach the elements of sex education contained in the science curriculum.

In teaching RSE, we must have regard to [guidance](#) issued by the secretary of state as outlined in section 403 of the [Education Act 1996](#).

At Beech Grove Primary we teach RSE as set out in this policy.

3. Policy development

This policy has been developed in consultation with staff and parents. The consultation and policy development process involved the following steps:

1. Review – a member of staff or working group pulled together all relevant information including relevant national and local guidance
2. Staff and parent consultation – all school staff and parents were given the opportunity to look at the policy and make recommendations
3. Ratification – once amendments were made, the policy was shared with governors and ratified

4. Definition

RSE is about the emotional, social and cultural development of pupils, and involves learning about relationships, healthy lifestyles, diversity and personal identity.

RSE involves a combination of sharing information, and exploring issues and values.

RSE will prepare boys and girls for the changes that adolescence brings.

5. Curriculum

Our curriculum is set out as per Appendix 1 but we may need to adapt it as and when necessary. Relationships and Health Education, as part of PSHE, is delivered using the Jigsaw Programme.

Our curriculum intent for PSHE is to enable children to understand and value how they fit into and contribute to the world. With a strong emphasis on emotional literacy, building resilience and nurturing mental and physical health we aim to deliver engaging and relevant PSHE within a whole-school approach. We promote mindfulness allowing children to advance their emotional awareness, concentration and focus.

RSE is delivered within the theme of “changing me” which is taught in the summer term. Beech Grove Primary does not provide any sex education that is in addition to that covered in the statutory science curriculum. We have developed the curriculum in consultation with parents and staff, taking into account the age, needs and feelings of pupils. If pupils ask questions outside the scope of this policy, teachers will respond in an appropriate manner so they are fully informed and don't seek answers online.

6. Delivery of RSE

RSE is taught within the personal, social, health and economic (PSHE) education curriculum. Biological aspects of RSE are taught in a cross-curricular manner within the science and PSHE curriculum.

Relationships education focuses on teaching the fundamental building blocks and characteristics of positive relationships including:

- › Families and people who care for me
- › Caring friendships
- › Respectful relationships
- › Online relationships
- › Being safe

For more information about our RSE curriculum, see Appendices 1 and 2.

These areas of learning are taught within the context of family life taking care to ensure that there is no stigmatisation of children based on their home circumstances (families can include single parent families, LGBT parents, families headed by grandparents, adoptive parents, foster parents/carers amongst other structures) along with reflecting sensitively that some children may have a different structure of support around them (for example: looked after children or young carers).

7. Roles and responsibilities

7.1 The governing board

The governing board will approve the RSE policy, and hold the headteacher to account for its implementation.

7.2 The headteacher

The headteacher is responsible for ensuring that RSE is taught consistently across the school.

7.3 Staff

Teachers are responsible for:

- › Delivering RSE in a sensitive way
- › Modelling positive attitudes to RSE
- › Monitoring progress
- › Responding to the needs of individual pupils
- › Responding appropriately to pupils whose parents wish them to be withdrawn from the non-statutory components of RSE

Staff do not have the right to opt out of teaching RSE. Staff who have concerns about teaching RSE are encouraged to discuss this with the headteacher.

7.4 Pupils

Pupils are expected to engage fully in RSE and, when discussing issues related to RSE, treat others with respect and sensitivity.

8. Parents' right to withdraw

Parents do not have the right to withdraw their children from Relationships Education. Beech Grove Primary does not provide any sex education that is in addition to that covered in the statutory science curriculum.

9. Training

Staff are trained on the delivery of RSE as part of their induction and it is included in our continuing professional development calendar.

The headteacher will also invite visitors from outside the school, such as school nurses or sexual health professionals, to provide support and training to staff teaching RSE.

10. Monitoring arrangements

The delivery of RSE is monitored by the head and deputy head teacher through planning scrutinies, learning walks, etc.

Pupils' development in RSE is monitored by class teachers as part of our internal assessment systems.

This policy will be reviewed annually by Catherine Steel-Brewster (Deputy Head Teacher). At every review, the policy will be approved by the head teacher and governors.

Appendix 1: Curriculum map

Relationships and Health education curriculum map

At Beech Grove Primary, we teach Relationships and Health Education through Jigsaw. Jigsaw divides the curriculum into 6 themes (puzzle pieces) which are studied by the whole school each half term as detailed below.

| TERM | THEME (puzzle piece) | CONTENT |
|----------|------------------------|---|
| Autumn 1 | Being Me in My World | Includes understanding my place in the class, school and global community as well as devising Learning Charters |
| Autumn 2 | Celebrating Difference | Includes anti-bullying (cyber and homophobic bullying included) and diversity work |
| Spring 1 | Dreams and Goals | Includes goal-setting, aspirations and resilience building |
| Spring 2 | Healthy Me | Includes drugs and alcohol education, self-esteem and confidence as well as healthy lifestyle choices (on and off line) |
| Summer 1 | Relationships | Includes understanding friendship, family and other relationships, conflict resolution and communication skills |
| Summer 2 | Changing Me | Includes Relationship and Health Education in the context of looking at and managing change including puberty. |

Each learning theme contains objectives which are tailored to the appropriate age and year group as detailed below.

| YEAR GROUP | SPECIFIC CONTENT |
|------------|--|
| Reception | Family life; making friends; falling out and making up; being a good friend; dealing with bullying; growing up -how have I changed from baby to now; bodies (NOT including names of sexual parts); respecting my body and looking after it e.g. personal hygiene. |
| Year 1 | Recognising bullying and how to deal with it; celebrating differences between people; making new friends; belonging to a family; being a good friend; physical contact preferences; people who help us; qualities as a friend and person; celebrating people who are special to me; life cycles – animal and human; changes in me; changes since being a baby; differences between female and male bodies (correct terminology: penis, vagina, testicles, vulva); respecting my body and understand which parts are private. |
| Year 2 | Assumptions and stereotypes about gender; understanding bullying; standing up for self and others; making new friends; gender diversity; celebrating difference and remaining friends; learning with others; group co-operation; different types of family; physical contact boundaries; friendship and conflict; secrets (including those that might worry us); trust and appreciation; expressing appreciation for special relationships; life cycles in nature; growing from young to old; increasing independence; differences in female and male bodies (correct terminology); assertiveness; appreciate that some parts of my body are private. |
| Year 3 | Seeing things from others' perspectives; families and their differences; family conflict and how to manage it (child-centred); witnessing bullying and how to solve it; homophobic bullying; recognising how words can be hurtful; giving and receiving compliments; respect for myself and others; healthy and safe choices; family roles and responsibilities; friendship and negotiation; keeping safe online and who to go to for help; being aware of how my choices affect others; awareness of how other children have different lives; expressing appreciation for family and friends; how babies grow; understanding a baby's needs; outside body changes at puberty; inside body changes at puberty; family stereotypes. |
| Year 4 | Challenging assumptions; judging by appearance; accepting self and others; understanding influences; understanding bullying including the role of the bystander; problem-solving in relationships; identifying how special and unique everyone is; first impressions; working in a group; celebrating contributions of others; healthier friendships; group dynamics; assertiveness; peer pressure; celebrating inner strength; jealousy; love and loss; memories of loved ones; getting on and falling out; girlfriends and boyfriends; showing appreciation to people and animals; being unique; girls and puberty; boys and puberty; confidence in change; accepting change. |

| YEAR GROUP | SPECIFIC CONTENT |
|------------|--|
| Year 5 | Cultural differences and how they can cause conflict; racism; rumours and name-calling; types of bullying; enjoying and respecting other cultures; body image; self-recognition and self-worth; building self-esteem; safer online communities; rights and responsibilities online; online gaming and gambling; reducing screen time; dangers of online grooming; SMARRT internet safety rules; Self and body image; influence of online and media on body image; puberty for girls; puberty for boys; growing responsibility; coping with change. |
| Year 6 | Children's universal rights; feeling welcome and valued; choices, consequences and rewards; group dynamics; democracy, having a voice; anti-social behaviour; role-modelling; perceptions of normality; understanding disability; understanding what transgender means; power struggles; understanding bullying; inclusion/exclusion; difference as conflict; difference as celebration; empathy; exploitation, including 'county-lines' and gang culture; love and loss; managing feelings; power and control; assertiveness; technology safety; responsibility with technology use; self-image, body image; puberty and feelings; reflections about change; physical attraction; respect and consent; boyfriends/girlfriends; sexting. |

Appendix 2: By the end of primary school pupils should know

| TOPIC | PUPILS SHOULD KNOW |
|---------------------------------------|---|
| Families and people who care about me | <ul style="list-style-type: none"> • That families are important for children growing up because they can give love, security and stability • The characteristics of healthy family life, commitment to each other, including in times of difficulty, protection and care for children and other family members, the importance of spending time together and sharing each other's lives • That others' families, either in school or in the wider world, sometimes look different from their family, but that they should respect those differences and know that other children's families are also characterised by love and care • That stable, caring relationships, which may be of different types, are at the heart of happy families, and are important for children's security as they grow up • That marriage represents a formal and legally recognised commitment of two people to each other which is intended to be lifelong • How to recognise if family relationships are making them feel unhappy or unsafe, and how to seek help or advice from others if needed |
| Caring friendships | <ul style="list-style-type: none"> • How important friendships are in making us feel happy and secure, and how people choose and make friends • The characteristics of friendships, including mutual respect, truthfulness, trustworthiness, loyalty, kindness, generosity, trust, sharing interests and experiences and support with problems and difficulties • That healthy friendships are positive and welcoming towards others, and do not make others feel lonely or excluded • That most friendships have ups and downs, and that these can often be worked through so that the friendship is repaired or even strengthened, and that resorting to violence is never right • How to recognise who to trust and who not to trust, how to judge when a friendship is making them feel unhappy or uncomfortable, managing conflict, how to manage these situations and how to seek help or advice from others, if needed |

| TOPIC | PUPILS SHOULD KNOW |
|--------------------------|---|
| Respectful relationships | <ul style="list-style-type: none"> • The importance of respecting others, even when they are very different from them (for example, physically, in character, personality or backgrounds), or make different choices or have different preferences or beliefs • Practical steps they can take in a range of different contexts to improve or support respectful relationships • The conventions of courtesy and manners • The importance of self-respect and how this links to their own happiness • That in school and in wider society they can expect to be treated with respect by others, and that in turn they should show due respect to others, including those in positions of authority • About different types of bullying (including cyberbullying), the impact of bullying, responsibilities of bystanders (primarily reporting bullying to an adult) and how to get help • What a stereotype is, and how stereotypes can be unfair, negative or destructive • The importance of permission-seeking and giving in relationships with friends, peers and adults |
| Online relationships | <ul style="list-style-type: none"> • That people sometimes behave differently online, including by pretending to be someone they are not • That the same principles apply to online relationships as to face-to face relationships, including the importance of respect for others online including when we are anonymous • The rules and principles for keeping safe online, how to recognise risks, harmful content and contact, and how to report them • How to critically consider their online friendships and sources of information including awareness of the risks associated with people they have never met • How information and data is shared and used online |
| Being safe | <ul style="list-style-type: none"> • What sorts of boundaries are appropriate in friendships with peers and others (including in a digital context) • About the concept of privacy and the implications of it for both children and adults; including that it is not always right to keep secrets if they relate to being safe • That each person's body belongs to them, and the differences between appropriate and inappropriate or unsafe physical, and other, contact • How to respond safely and appropriately to adults they may encounter (in all contexts, including online) whom they do not know • How to recognise and report feelings of being unsafe or feeling bad about any adult • How to ask for advice or help for themselves or others, and to keep trying until they are heard • How to report concerns or abuse, and the vocabulary and confidence needed to do so • Where to get advice e.g. family, school and/or other sources |
