

## Visitor Policy

### Statement of intent

This policy is designed to outline Beech Grove Primary School's procedures regarding visitors to our school grounds.

#### **This policy will enable our school to:**

- Safeguard and protect the welfare of pupils and staff members.
- Prevent unnecessary disruption to lessons and other educational activities.
- Protect our grounds and facilities from vandalism and misuse.
- Engage with the community and outside educational influences in a structured and productive manner.

### Authorisation

Individuals who would like to visit the school, but are not in contact with a member of staff regarding this, will arrange their visit through the school office (01642 818577).

The office will record the date and time of the proposed visit, reason for the visit, name of the visitor(s), and the name of the organisation they belong to where applicable.

Teachers, or other staff members, arranging visitors to the school for educational purposes will collate all the above required information and pass this on to the school office.

Visitors who arrive at the school without a prior appointment may be permitted to meet with the headteacher/other staff members where these members of the school staff are happy to do so. The visitor will not be allowed into the school without the supervision of a teacher, member of school office staff or member of the SLT.

Parents are discouraged from visiting the school during school hours unless for a school event or emergency. Where a parent arrives at the school, they will follow the visiting procedures outlined below.

## Safeguarding

The school is committed to promoting the safety of all pupils, and may require visitors to undertake a DBS check depending on the purpose of their visit.

A visitor will require a DBS check if they work in 'regulated activity'.

### Regulated activity is defined as:

- Regular teaching, training, instructing, caring for or supervising pupils if the individual is unsupervised.
- Regularly providing advice or guidance on physical, emotional or educational wellbeing.
- Regularly driving a vehicle only for children.
- Regular work for a limited range of establishments (known as 'specified places') with the opportunity for contact with children.
- All relevant personal care, including helping a child with eating and drinking for reasons of illness or disability or in connection with toileting, washing, bathing and dressing for reasons of age, illness or disability.
- All health care for children provided by, or under the direction or supervision of, a regulated health care professional.

DBS checks will be undertaken in accordance with the DBS Policy.

The DSL and headteacher will be responsible for determining whether DBS checks need to be carried out and ensuring that they are undertaken, where required.

Under no circumstance will a visitor who has not undergone a DBS check be left unsupervised with pupils.

The school will manage the risk of potential harm to pupils by taking steps to segregate pupils from visitors.

## Visiting procedures

All visitors to the school, including parents, will comply with the following procedure:

- Immediately report to the school reception area on arrival
- Provide their details to the **school office staff**, including:
  - Name
  - Purpose of visit
  - Name of pupil the visit pertains to/staff member who arranged the visit
  - Expected length of visit
- Sign-in using the electronic sign-in system

- Display ID badges provided at all times while on school property
- Sign-out using the electronic system upon departure
- Return ID badges to the school office before departure

For visitors working directly with children, their DBS and ID will be checked by a senior member of staff. In the case of frequent visitors (eg. tutors, therapists) their DBS number will be recorded on the secure log held in the Business Manager's office.

Visitors will be made aware of relevant school policies, including those in relation to health and safety, reporting a concern and emergency procedures.

Visitors and volunteers will be provided with a copy of the Visitors and Volunteers Protocol, which they will be requested to sign to confirm agreement.

Visitors will be advised that our school is a non-smoking area and smoking is not permitted anywhere within school grounds.

Prior to the visit, all visitors will be made aware of any specific parking arrangements which the school has in place.

## **Off-Site Volunteers**

When accompanying an educational visit off site, volunteers will be provided with a copy of the Off Site Visits Volunteer Agreement, which they will be requested to sign to confirm agreement. This agreement outlines the role and responsibilities of all volunteers.

Volunteers will assist the staff members and at no point will volunteers be left unaccompanied with children.

## **Exceptions**

Visitors attending scheduled open days, sports events or other 'by-invitation' school activities will be exempt from the visiting procedures outlined above.

Anyone attending school events will keep to the areas of the school grounds where the events are taking place (e.g. the sports field, school hall).

## Unidentified individuals

It is the responsibility of all staff members to politely question any individual who enters the school premises unaccompanied and/or without a clearly displayed name badge.

Any such visitors will be directed to the school office where they can sign-in.

If a visitor cannot be identified, the **headteacher** will be informed immediately.

If a visitor refuses to report to the school office, or becomes aggressive or abusive, they will be asked to leave the premises and the police may be called to assist.

## Visitor conduct

Visitors to the school will be required to act in accordance with the school's behaviour policy and other relevant school policies at all times.

The school reserves the right to escort individuals from the premises who act in an aggressive or threatening manner towards staff members, pupils, governors, parents or other visitors.

Under section 547 of the Education Act 1996, it is an offence for any person to cause a nuisance or disturbance on school premises; therefore, the police may be contacted to assist in the removal of individuals from the premises, where necessary.

In the event of persistent occurrence of unacceptable behaviour on the school site, the school has the right to request a banning order from the Local Authority for the individual in question.

## Monitoring and review

This policy will be monitored and reviewed on an annual basis.

The next scheduled review date for this policy is **September 2023**.

Amendments to the policy will be communicated to all relevant stakeholders
